of the European Union

Agenda of the Information Event organised by the ECESBF at KIMYO International University in Tashkent

Erasmus Centre of Excellence in Sustainable Business and Finance (further Centre) is organising an information event at KIMYO International University in Tashkent.

When: 20 February 2024, 11.00-12.30

Where: KIMYO International University in Tashkent, Room A-604

Participants: 30-50 under- and postgraduate students of KIMYO International University in Tashkent, as well as professors and other academic staff

Brief description: The main goal of this information event is to introduce the audience to the activities of the ECESBF, and more specifically to provide the overview of the courses organised by the Centre, and to invite the students to participate in the courses held in 2024.

List of discussion topics:

- History of the Centre, and its role in dissemination of the European experience in sustainability and digitalisation
- Short general overview of the courses offered by the Centre, and topics covered
- Importance of suitability: European experience (discussion of the concept of *circular economy*)
- Practical information about the courses offered by the ECESBF in 2024, rules of enrolment.
